Good-Bye Claire

Our Instructor Claire has returned to her home in Singapore as her husband Clifton has started a new job there.

Sad for us at Command Dog Training School as Claire is a wonderful instructor and a great asset to our school and clients.

Claire completed her CIC (Certified Instructors Course) Dog Training and Behaviour with DTA (Dog Trainers Australia) in 2006 and her EPT (Extended Practical Training Module) early 2007.

She joined Command Dog Training School April that year and has been instructing with us ever since as well as putting in some extra hours at our office.

We wish her and her family the best of luck at Singapore and I am sure we will catch up again some time.

**** She will be sadly missed by all in her classes ****
